

LAND OF THE TIGER

VOICE

Robert Ramskill

$\text{♩} = 104$ **6**

I am the ti - ger, have you heard my might-y roar?

9 Try to a - void me, I'm so pow'r - ful and sharp of claw.

11 Where I live you might like to know, some-where that you might one day go.

13 Land of tem-ples and gol-den skies. Lis-ten to me if you are wise:

15 I need space to roam and search for prey, but my King-dom's

18 small - er ev'ry day. My ad - vice to you is stay a - way.

21 Then you'll earn my heart-felt "NA-MA - STE!" "NA-MA - STE!"

24 "NA-MA-STE!" "NA-MA-STE!" I'm the world's biggest cat:

29 rea - dy, when I'm threat-ened, to at - tack! And I can move so

 si-lent and fast. Now I might be sneak-ing up be-hind you in the long grass!

35

 But you have no rea - son to fear me. All I ask is

38

 please don't come too near me. I am the ti - ger, have

 you heard my might - y roar? Try to a - void me, I'm so

 pow'r - ful and sharp of claw. Where I live you might like to know,

 Lis-ten to me if you are wise: I need space to roam and search for prey,

 but my King-dom's small-er ev-'ry day. My ad-vice to you is stay a-way.

 Then you'll earn my heart-felt "NA-MA - STE!" "NA-MA - STE!"

 "NA-MA - STE!" "NA-MA - STE!" Ah! "NA-MA - STE!"
